

Loto 6

Numerical game of chance in which the goal is to match six numbers that are drawn from a group of numbers from 1 to 45 in a lottery drum. After drawing six numbers, another, supplementary number is drawn. The drawn number cannot be repeated in further drawing. The player wins something if they match at least three numbers, and if they match all six drawn numbers, they win the Jackpot. In addition to the Loto 6, it is possible to play an additional Joker game.

The deadline for participating is until 6:30 p.m. on the day of the draw, i.e. on Thursday and Sunday.

The price of one combination is 2 HRK (0,27 €). The price of the additional Joker game is 5 HRK (0,66 €).
